has successfully completed the online, non-credit Specialization

Microsoft 365 Fundamentals

This Specialization is intended to help all novice computer users get up
to speed with Microsoft 365. It covers various features of the
interface, shows you how to perform basic tasks, and introduces you
to the most important tools in Word, PowerPoint, and Excel. This
program will help you to become familiar with the apps and services
included in a Microsoft 365 subscription. You will improve your word
processing, spreadsheet, and presentations skills to take your
productivity to the next level. You will learn how to work smarter and
more collaboratively with the latest intelligent features of Office 365.
By the end of this program of courses, you will be ready to take and
sign-up for the MO-100: Microsoft Word, MO-200: Microsoft Excel and
MO-300: Microsoft PowerPoint.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included
courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment
at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the
identity of the learner.
